25th February 2015

Seniors Week Writing Workshops

South East Arts is offering free writing workshops in Bega and Eden for Seniors to explore creative writing. Supported by Bega Valley Shire Council as part of National Seniors Week activities, local author, poet and playwright, Diana Harley, will be conducting workshops in creative writing at both the Bega and Eden libraries.

In a friendly, supportive environment participants will be encouraged to "wield the pen" and get writing as they explore their life experiences through creative self-expression. Diana uses a variety of simple and fun writing exercises to prompt the writing process. So, if you've never written a thing, or you're a beginner writer or you just need to build up your writing confidence, come along and have a go at a bit of poetry and prose and have some fun along the way.

'Weilding the Pen' Bega Library Wednesday 18 March 10am – 12.30pm

'Weilding the Pen' Eden Library Thursday 19 March 10am-12.30pm

The workshops are free with writing materials and refreshments provided however bookings are essential.

To book please contact:

Bega Library - 6499 2127

Eden Library – 6499 2453
